Re: Water Right Permit Nos. **G4-32214 T** and **G4-32215 T**

Dear Ms. Fisher:

In response to your request, the development schedule for the above referenced water right has been extended as follows:

Complete Construction: April 1, 2026

Basis of extension approval:

- Fifty one new water services have complied with new ordinance.
- The delay is justified, given local development patterns and local economic conditions.
- A delay would enable the permit holder to meet public water supply needs, consistent with the intent of the temporary permit.

Please mail in the enclosed *Complete Construction Notice* by the deadline. If you have any questions, please contact Teresa Roeder at tmit461@ecy.wa.gov or (509) 454-7297.
